Dear Member,

I refer to my letter dated 2 April 2015 and to the Members' Information Night held at the Club on Wednesday 22 April 2015.

Thank you to the members who were able to attend and to those members advising us of their apologies.

I have attached a link to the PowerPoint presentation for your information and perusal so all members will have an even base knowledge of the proposal as presented on the Night. The Board was satisfied from the meeting and subsequent feedback that there is strong support for the Board to progress the discussions with the MCC that would lead to a merger of the 2 tennis clubs at High Street Road Mount Waverley. There were also some matters that members wanted the Board to consider in those discussions. The MCC held an Information Night for its tennis section members on Thursday 23 April 2015. I have been advised that the MCC tennis section members also supported developing the merger proposal.

The Board is about to engage with the MCC to develop a project plan and, ultimately, a recommendation that members of both clubs can formally consider and resolve on. A communications plan to members of both clubs over the next few months will be an integral component of the Project Plan.

I, or any other Board member, can be contacted should you require further information or clarification on the information presented at the Members' Information Night.

Yours sincerely,

Peter Gillieron
President
