Dear Member

Ref: Proposed merger with MCC Tennis Section

I refer to the member's Information Night held on Wednesday 22 April 2015 and to my subsequent letter dated 15 May 2015.

The Board subsequently met with representatives from the MCC, the MCC Foundation, and MCC Tennis Section and advised that GIVRC members had given their "in-principle" support for the Board to progress the merger discussions with the MCC noting that GIVRC members would ultimately consider a merger proposal. The Board also advised the meeting that the following matters were of particular interest to GIVRC Members in considering a merger proposal:

1. The merger being seen as a "take-over" by the MCC.
2. The current coaching and junior development programs at GIVRC.
3. The GIVRC Club colours and logo.
4. Financial Sustainability

The combined meeting decided that the best manner to progress the proposed merger was to establish sub-committees to look at the following areas:

1. Teams/coaching/court availability.
2. Social Program.
3. Memorabilia/Colours/Logo.
4. Rules.
5. Finance

Sub-committees have met on at least one occasion and their deliberations are time-tabled to be completed by 15 August 2015 for discussion with the MCC/MCC Foundation on 1 September 2015. The Board would then be in a position to discuss the draft proposals with members on 15 September 2015 in advance of a formal meeting of members on 30 September 2015 to consider the merger proposal.

I, or any other Board member, can be contacted should you require further information or clarification on the merger proposal thus far.

Yours sincerely

Peter Gillieron  
President
