6 February 2024

Dear Member,

I trust this members' communication finds you well. There are two current matters that directors wish to brief you on:

1. Club's Open Day – Sunday 11 February 2024.

The Club is holding its annual Open Day next Sunday from 11.00am to 2.00pm. The Day is being organized by VIDA on behalf of the Club. I have attached the Flyer for your information. The Day has been promoted locally including schools. It promises to be a fun day.

Members are very welcome to attend and we encourage members to bring family and friends to enjoy the activities.

2. Monash Drainage Works. From Monday 12 February 2024

I confirm previous communications that the City of Monash have been upgrading storm water drainage north of High Street Road. The final stage of the project is to upgrade the main drainage pipe coming down the hill, under High Street Road and into the creek in the Riversdale Golf Club. While the works are on the golf club's side of the fence, the works compound site will be on the vacant land adjoining our carpark. Site deliveries of personnel, equipment and supplies will come through the tennis club. The compound will be fenced off. Part of the Club's carpark, at the western end may be blocked from time to time to facilitate vehicle movements.

The Council has now advised the Club that the project works will commence on Monday 12 February 2024 and anticipated to conclude end June 2024. It will be a period of significant disruption to the Club. A summary of the arrangements between the Club and with the Council (and its contractor) will include the following:

- Safety of pedestrians and vehicles with the Club's grounds is paramount including the sizes of the delivery and construction vehicles.
- Parking spaces required by the contractor will not exceed six where the access to the construction compound comes off the Club's carpark on the western side.
- Delivery times will be between 7.00am to 3.30pm on any weekday.
- Contractor is required to ensure that delivery and construction vehicles through the Club's carpark will be well supervised to make patrons safe.
- The contractor has agreed that on specific days that the Club prefers not to have major plant/vehicles movement provided the Club gives the contractor with two weeks' notice.
- The pavement of the carpark will be maintained throughout construction including being kept clean and free on any debris.
- No vehicles, equipment or machinery is to be located on the Club's carpark.
- Contractor will arrange for signboards in the Club's carpark stating, "*construction in progress-please drive carefully*"
- The land on which the site compound is established (immediately adjoining the Club's carpark) will be re-instated with topsoil and seed.
- The Club's access driveway will be re-instated to at least the condition it was found before the works commenced.
- Riversdale Golf Club will ensure that the proposed site compound area will be cleared of all debris (logs/branches etc) before works commence.

The Club is being provided, before the works commence, with:

- Council approved Safe Work Method Statement.
- Risk Management Plan.
- Contractors Public Liability Certificate.

I anticipate that directors will continue to communicate with you during the works period. If you have any queries and/or comments after the works commence, could you please direct them in the first instance to:

facility@mccglenirisvalley.org.au and to info@mccglenirisvalley.org.au

Thank you for patience and understanding during this period.

Yours sincerely,

Peter Gillieron
Chair

FREE TENNIS CLUB OPEN DAY

Sunday, 11th February

11.00am - 2.00pm

No Bookings Required

- ✓ Kids HotShots tennis lessons
- ✓ Intro Lessons for all
- ✓ Juniors from 3 years to Adults
- ✓ Membership Specials
- ✓ Sausage Sizzle

If you can not make it on the day, contact us to organise another time.

Term 1 Dates

Monday, 29th January 2024 to
Thursday, 28th March 2024
